

# Parent Advisory Council on Student Achievement (PACSA)

## What is PACSA?

A partnership with parents, the community and Detroit Public Schools that exists to support the Districts' Academic Plan, Instructional Delivery and Accountability Systems in Detroit Public Schools.

## GOAL

To work collaboratively with the school principal and to support data-based programs to increase student achievement.

## OBJECTIVES

- To recognize data related to academic performance to make suggestions to the leadership of the school
- To support the efforts of the school and its students, teachers and principal in capacity building
- To complete 18-20 hours of formal training in the following areas to be certified as PACSA Officer(s):
  - Understanding School Data
  - School Culture and Climate
  - Title I Parent Involvement
  - Presentation Skills
  - Conducting Productive Meetings
  - Conflict Resolution
